Please keep these By-Laws in a prominent place in your club rooms.

It is important to be able to refer to these By-Laws as soon as an issue arises.

In the event of being unable to resolve the issue, please call the Hot Line 0468 958 927 (Trevor Smyth)

Prior to the new season, where there have been changes to the By-Laws, clubs will be issued new pages.

The type, condition and surroundings of the courts of each competing Club shall be subject to the approval of the Committee of Management.

2. MATCH COMMITTEE

The Match Committee shall be responsible for grading of players, emergencies and teams and to do all things which it shall consider necessary or desirable to conduct the pennant matches with the exception of disputes which shall be adjudicated by the Committee of Management.

The Match Committee shall be subject to directions of the Committee of Management.

3. AMENDMENT OF BY-LAWS BY COUNCIL

By-Laws may be revoked, altered or amended by Council. Notice of alteration to By-Laws must be lodged in writing with the Association Secretary at least thirty-five (35) clear days prior to the meeting and shall appear on the notice paper. Any By-Law passed by Council may not be altered by the Committee of Management.

4. ATTENDANCE AT COUNCIL AND MATCH CONVENOR'S MEETINGS

Each Club must have at least one delegate at each Council and Match Convenor's Meeting. Failure to attend will result in a fine.

5. TRANSFER OF A PLAYER TO ANOTHER CLUB

No player shall transfer from one Club to another during the currency of a Competition Season without the consent of the Committee of Management, and then only if he/she shall have obtained a clearance from the Club by whom he/she has been registered; seven (7) days clear notice of such application to be given to the Association Secretary.

For the purposes of this By-Law, 'the currency of a competition' includes the period from the official closing date of team entries for that particular Competition Season up until the opening match date of the Competition. A clearance letter, with reasons for the clearance, must be lodged with the Association Secretary for approval by the Association. Such a letter shall be signed by the Secretary of the Club with whom the player is currently registered and also by the Secretary of the Club to which the player wishes to transfer.

6. CLUB FINES

Automatic fines shall be operative for breaches of the By-Laws as listed on Page 14.

The Committee of Management, as provided for in the Rules, shall be empowered with the setting of the actual fines applicable for breaches of the Association's By-Laws. Whenever possible, the ruling fines will be published in the Official Handbook and Fixture issued at the commencement of each Pennant Season, although the Committee of Management does have the right at any time to introduce fines for additional breaches, as required to effectively conduct the Pennant Competition. Any additional fines so introduced will be announced to all Clubs at the first available opportunity.

7. TENNIS RULES

The Rules of Tennis issued with the Approval of Tennis Australia shall apply to all matches except as hereinafter modified.

8. COMPOSITION OF TEAMS/TYPE AND ORDER OF PLAY

All sets shall be first to six games, excepting that in all Senior play and Junior Singles/Doubles Sections a 12 point tiebreaker shall be played at six all.

Note variations in paragraphs (a) Open Rubbers formats, and in paragraph (d) below for the Junior President's Cup. **During all Senior and Junior Rubbers matches, players should not leave the court except for a toilet break.**

(a) Open Rubbers - Summer & Winter format

Four players, any combination of Men and Ladies

Match Format:

Matches shall consist of four rubbers. Each player plays 2 rubbers.

Method of Play:

All rubbers shall be "Best of Two" sets where if these rubbers are tied at one set all then the rubber is decided by playing a match tiebreaker, first to 10 by a margin of 2. This tiebreaker (which replaces the third set), is recorded as 7-6 to the winning team on the scoresheet, even when the rubber is at one set all due to a forfeit.

Determining Winner:

The majority of rubbers shall decide the match. If rubbers are equal, sets to decide. If rubbers and sets are equal, games to decide.

For all Junior and Senior Open Singles/Doubles matches players MUST play in order of merit, as nominated by their club.

A Senior Supervisor is to be in attendance at all times during the match.

For away matches, a responsible adult/parent is required to be in attendance at the venue for the entire match.

For all Junior Rubbers matches, players may only leave the court with the permission of the Venue Supervisor.

If a match is tied at one set all then the rubber is decided by playing a match tiebreaker, first to 10 by a margin of 2.

Determining Winner:

Matches to be decided by the team with the most rubbers.

Order of Play in home and away matches:

The home club may choose whether the 2 singles or the doubles rubber is played first. All players should therefore be present at the official starting time.

(f) Playing with One Player Short

Likewise, in Saturday and Sunday Triples matches, the team shall play two players instead of giving a walkover. In all Senior formats except Singles/Doubles, a team with only 3 players available **shall** play the match instead of giving a walkover in which case By-Law 12 as it relates to complete team in attendance will not apply. Under these circumstances, games won or lost will be scored by both teams, the sets for which the player is not available being forfeited to love.

For all Junior Triples matches where a team is one player short, the opposition team should, where possible, exclude the equivalent player in the Order of Merit within their team.

- (iii) All other matters not specifically highlighted for the running of the Mid-Week Men's Competition are governed by the existing Association By-Laws.
- (iv) The Home Clubs are responsible for ensuring that the Match Results are entered on time.

9. NUMBER OF TEAMS EACH SECTION

Each section shall consist of 8 teams in summer and winter pennant with two complete rounds of matches.

If appropriate, the Match Committee may approve 4 team sections, 6 team sections (both 15 matches per season), or 10 team sections (14 matches) for any class of play.

For final series, the 4 team section is restricted to the final and the 6 team section is restricted to knockout semi-finals and finals.

10. REGISTRATION OF PLAYERS

- (a) All players will receive an individual grading as a player of either A, A Reserve, B Special, B, C Special, C, D Special or D.
- (b) Once a player's grading as above is approved, this grading is retained from season to season unless a change is approved or made by the Association.
- (c) At the start of each season, team lists and emergencies with the required grading information must be submitted on the prescribed form.
- (d) Teams as submitted will be graded by the Match Committee in grades as noted in (a). More than one section may be required in certain grades where teams will be graded into sections within these grades.
- (e) All players listed in the teams as submitted by clubs must play in the grade and section as graded by the Match Committee. No listed player will be permitted to play in a lower grade, or section within the grade.
- (f) Emergencies cannot play below the grade (or section within grade) assigned to them by the Association which will be that nominated by the Club unless otherwise advised by the Association.
- (g) New registrations may be submitted for approval by either letter or email to the appropriate Record Secretary. In an emergency, a player is deemed to be submitted for approval once entered correctly on the scoresheet (i.e. scoresheet shows Club Selectors' grading and indicates Emergency "E") and always provided the scoresheet shows all particulars, for example, Date of Birth and Club personal grading, as is required on Emergency Entry form. (Grading is to be Selectors' not team Captain's). This emergency registration does not mean that the player is automatically accepted in that grade. If unacceptable, player will be regarded as an unregistered player for that grade. No phone emergency registration will be accepted. Emergency players must not strengthen a team, in the opinion of the Match Committee.
- (h) In the event of a player being nominated for registration by more than one club, the player concerned shall have the right to say which nomination shall stand.
- (i) The Committee of Management shall have the right to reject any registration.

11. ELIGIBILITY

- (a) No players may play below their approved personal grade unless such players have been approved as permanent players or emergencies in that grade, or section within grade.
- (b) Once a player plays more than 3 matches in any higher grade, or section within grade, or plays more than 3 matches in different higher level teams, that player cannot play for another team in a lower grade or lower section within grade, without prior permission of the Match Committee. This applies irrespective of whether the player was nominated as a regular player in a lower graded team at the start of the current season.
- (c) Emergency players may interchange between Open Doubles and Open Singles/Doubles sections and may play any number of matches in a higher grade, or higher section within grade, until tied as in 11(b) above.
- (d) In the event of a Club being represented by more than one team in the one section, no player having participated in more than three matches with one team shall be eligible to play thereafter in the other team.
- (e) No player may play in the final series unless they shall have played **three** home and away matches. These matches can have been played in a lower graded team for the same club in the same competition. For Juniors, date of birth must also have been provided.
Should an ineligible player play in a home and away, or finals match, any rubber(s)/sets in which such player competes shall automatically be awarded to the opposition. However, a match can still be won by a team with an ineligible player should the majority of remaining rubbers/sets be won by that team.
- (f) All players registered must be financial members of the Clubs registering them.
- (g) Except with Match Committee approval, no players may play in matches if they have already played in another Association whose matches are played concurrently on Saturday mornings and Sunday mornings (for Juniors) and Saturday afternoons (for Seniors).
- (h) No player shall compete in more than one Association Senior or Junior fixture listed in the same round for simultaneous play.
- (i) To be eligible for Juniors, players must in any season they play be 18 years of age or under as at midnight on the date of the scheduled Saturday/Sunday Grand Final for that season.
- (j) No player may represent more than one Club during the currency of the same Competition Season, unless formally cleared in accordance with By-Law 5.
- (k) The Match Committee shall have sole discretion on making decisions on the eligibility of players not specifically provided for within the By-Laws.
- (l) Junior or Senior players who compete in Saturday or Sunday competitions DO NOT qualify for the finals on the alternative day to their regular competition.
- (m) As Saturday and Sunday Junior competitions are separate competitions, players may play for a different club in these competitions.
- (n) **Heatouts and/or Washed-out matches do not qualify as a match towards Finals eligibility.**

12. COMMENCING/FINISHING TIME OF MATCHES

All Saturday Junior matches shall commence at 8:15 a.m. and Sunday Junior matches shall commence at 8:30 a.m. (First set hit-ups should be prior to these times.)

All Senior matches shall commence at 1:00 p.m. (First set hit-ups should be prior to these times.)

A 5 minute hit-up must be permitted prior to the 1st set for each player in a match, even if a player arrives late. No further hit-ups are allowed. This applies to both Junior and Senior matches.

All Home and Away matches MUST be played at the designated times as stated above.

If either team is unable to put on any set (listed on the scorebook) within 15 minutes of the scheduled start time, the offending team shall forfeit the first set / first set of rubber to nil.

Upon completion of the first and/or each subsequent set, if opposition is not available to commence play within 10 minutes, the next set shall be forfeited.

In applying this By-Law, matches are to be considered to be played on ONE COURT ONLY, regardless of the availability of a 2nd court.

Except where a team is playing with one player short (By-Law 8f) a complete team must be in attendance by 8:45 a.m. for Saturday Juniors, 9:00 a.m. for Sunday Juniors and 1:30 p.m. for Seniors, otherwise the match shall be lost by the defaulting team as a forfeit - see also By-Law 6 re Club Fines and By-Law 8(f) - Playing With One Player Short.

All Junior matches will conclude at 12:15 p.m. Saturdays (12:30 p.m. Sundays) If in the middle of a set, the GAME that is in progress will be completed, but not the set.

13. COMPLETION OF SCORESHEET PRIOR TO MATCH

Before the commencement of any match the opposing captains must enter team members' names in order of play on the scoresheet.

Before the commencement of any Finals match, the opposing captains must pass their separate lists showing names of players in order of play to the home club supervisor who shall fill out the scoresheets on behalf of both captains. Scoresheets should then be readily available throughout match for reference, as required. Once scoresheets have been filled in no changes to order of play are permitted. The only exception shall be in the case of a Finals match involving a substitute player and then only in the event of the match not having been commenced on the date of the total washout.

In the event of a query of a match result on a scoresheet, the club who is querying the supplied information, MUST supply a copy of the scoresheet to confirm the recorded information is incorrect. Failure to do so, will mean the registered result shall stand.

14. WEATHER/COURT CONDITIONS

Waverley Tennis has adopted the Tennis Australia Extreme Weather Policy. Full guidelines of the policy may be found on the Tennis Australia website. A copy can also be downloaded from our website.

Extreme Weather, as defined by this policy, includes Extreme Heat, Wet Weather, Lightning, High Winds and Smoke.

For the purposes of this section, Waverley Tennis has taken a more conservative approach than is given in the Tennis Australia policy and we require that:

All play must be suspended (on completion of the current game) and no further matches are to commence if the temperature is 35° C or greater.

- (a) In the event of extreme weather, individual matches may be cancelled without teams attending the courts, providing that it is mutually agreed by both captains, otherwise players must attend courts. Mutual agreement is only when the captains communicate with each other, and agree to cancel the match.

Cancellation of matches in advance by text, phone or voicemail message is not acceptable; two-way communication is essential.

Should a visiting team wish to contact a venue club to clarify if a match will proceed, it is recommended to ring either the club phone or the Junior/Senior Convenor's mobile number.

For Junior and Senior matches, in the event of lightning and thunderstorm play must be stopped immediately.

For Junior matches, upon agreement by both club's Junior Convenors, a match may be cancelled without both teams attending the courts. Where there is no attendance both teams must enter their player lists using the "By Ph" feature on the Club Zone website.

Junior matches: When play is stopped due to weather or court conditions the home club Venue Supervisor is responsible for making the decision to abandon any match, taking into account current court conditions, the likelihood of further play interruptions and time needed to restore courts to a safe playable state in time for matches to be **completed in the normal time frame.**

Senior matches: If play is stopped due to weather or court conditions, both captains must agree before the match is abandoned. However, if play has not resumed within one and a half (1½) hours after the cessation of play, then either captain shall have the option to abandon the match.

- (b) On days of extreme heat when the temperature reaches 35° C, individual matches may be cancelled without teams attending courts providing it is mutually agreed to by both captains otherwise players must attend courts. Where there is no attendance both teams must enter player's names using the "By Ph" feature on the Club Zone website.

Notwithstanding the foregoing, play may be cancelled below this temperature with consent of both captains.

For the purposes of this By-Law, the temperature used is as provided by the Bureau of Meteorology, either on their app or on their website, and according to the BOM weather station closest to the venue courts.

- (c) **The home Club has the right to decide as to whether courts are unfit for play, however, either captain shall have the option to stop play during rain, even if the court surface is deemed fit for play.**

In all Junior matches, only the club supervisor or Junior Convenor may cancel a match due to inclement weather by initialling the scorebook.

- (d) If the home Club deems, in the preceding days to scheduled matches, that its courts have been rendered unplayable by **wind damage**, or by **flooding**, and a reasonable effort has been made by the home Club to restore the court/s in time for scheduled matches, each match unable to be played will be declared a 'wash-out'. In such circumstances, the home Club, in the case of Junior matches, must notify the Secretary of the opposing Club/s and the Association Secretary before 8:00 p.m. on the day preceding the match/es. For Senior matches, the home Club must notify the Secretary of the opposing Club/s and the Association Secretary before 10:00 a.m. on the actual match day.

The requirements pertaining to the non-attendance of teams (ref. By-Law 14a) shall apply.

- (e) If Junior matches have not commenced by 9:45 a.m., play will be called off. If Senior matches have not commenced by 2:30 p.m., and unless otherwise mutually agreed to by both team captains, play will be called off.

- (f) Players from both Senior and Junior competing teams are required to bag and water courts after each set. In the event of inclement weather it is expected that players from both competing teams will assist with preparing the courts ready for play.

15. SUBSTITUTES DURING MATCH

- (a) A substitute shall be allowed to take the place of any player who is prevented, through illness, injury, or any good and sufficient reason from continuing the match, however, all remaining games of the incomplete set shall be forfeited. In both Junior and Senior Rubbers Matches, where a player is injured or ill the remaining unplayed games/sets of the rubber shall be forfeited. A replacement player may commence from the start of the next rubber.

If a player advises their opposition of an illness or injury prior to commencement of their 2nd rubber, the first set of this rubber shall be forfeited 6-0. In sets matches, a replacement player may replace an ill or injured player in a new set without penalty.

- (b) Matches completed using a substitute player are designated as played 'under protest' unless the opposing captain signs the match scoresheets after confirming the substitution as being fair. A 'fair' substitution is where the substitute player has the same personal grading, or lower, when compared to the Competition grade in which that player is being used as a substitute.
- (c) A team requiring a substitute player shall be allowed thirty minutes, from the time of the occurrence of the event which led to the need for a substitute, to arrange such a player to be in attendance and on court ready to play.
- (d) The By-Law covers both home and away matches and final series matches, except that, in the case of an unfinished final, a substitute player is allowed to take the place of a player unavailable on the next scheduled match date without penalty, with play resuming from where it left off. Unless special permission is granted in writing by the Waverley Tennis Match Committee, such substitute must be eligible as per By-Law 11.

NOTE: Clubs wishing to substitute players in resumed final series matches should seek the approval of the Tennis Association, preferably in writing, before making substitutions on the day of the resumed matches.

- (e) In Junior finals where clubs have rotating teams, the option to use up to 5 players in a match is permitted. Providing the order of merit of singles players is maintained, the substitute player can play in any position.
- (i) For each final the team must be nominated as usual however teams are allowed to add any other rotating team members into position 4, or positions 4 & 5.
- (ii) All such substitutions must be declared on the scoresheets prior to the start of the match and no changes may be made once the match has commenced (except as provided for in By-Law 15(a) - Injury or 15(d) - Unfinished Finals).
- (iii) To be eligible, the rotated substitute players must have played at least 3 matches for the team during the season.

With 1 substitute player, the #1 player will play 3 sets, and players 2-4 will all play 2 sets.

With 2 substitute players, players 1-4 will all play 2 sets, and the #5 player will play 1 set.

The order of play and doubles pairings are detailed on the scoresheet.

The number of players used determines which column the team uses, either Three, Four, or Five.

If the home team has 3 players and the away team has 5, then the home team uses the Three column pairings, and the away teams uses the Five column pairings.

Singles players all play against their nominated opponent in all 3 variations.

16. LATE FINISHING MATCHES/LIGHT-UP TIME

In Summer Senior Competition, unless otherwise mutually agreed to by both team captains, no set or sets shall commence after 6:30 p.m.

In Winter Senior Competition, unless otherwise mutually agreed to by both team captains, no set or sets shall be commenced after Official Light-Up Time (refer Handbook Index for page number) or after local street lights are activated should that be earlier. If a **GAME** has commenced prior to either of these times, it shall be completed, then play shall cease. Official Light-Up Times are as published in the Winter Handbook.

Except for Finals, clubs are not permitted to use lights in order to complete matches even if it is dark before Official Light-Up time, with the exception of Indoor Venues which may use lights throughout match play if required.

In both Summer and Winter Competition, points for any sets which have not commenced by the designated time shall be shared, as is the case for an uncompleted set (refer By-Law 20. POINT SCORE).

In Junior Competition, no set or sets shall be commenced beyond 12:15 p.m., (12:30 p.m. for Sunday Matches), except that any **GAME** that is in progress will be permitted to be completed, but not the set or sets (ref. By-Law 12). Points for any sets which have not commenced by the designated time shall be shared, as is the case for an uncompleted set (refer By-Law 20. POINT SCORE).

The above provisions for Senior and Junior Competition do NOT apply during the Final Series, when all Finals matches must be played out until a result is achieved. Refer 24(I).

17. UMPIRES & SUPERVISORS

(a) **Home & Away Matches – Senior & Junior Competition:** Umpires may be arranged by either team or by the Junior Supervisor. If the entire match is being umpired, the home team has the right to appoint an umpire for the first set/rubber and thereafter the right shall alternate. Individual sets/rubbers may be umpired by either team or by the Junior Supervisor or his/her appointee.

For Junior matches – the home club shall provide a senior member to act as a Junior Supervisor and referee in the case of a dispute. **A Junior Supervisor must be in attendance at each venue used by the home club (includes ‘outside’ venue/s).** For ‘D’ Grade Junior matches, the home club should provide an additional supervisor/s for all home and away matches, who may be positioned on court.

(b) **For all Junior matches, home and away and finals, a responsible adult/parent from the visiting team must be in attendance for the duration of the match. Failure to observe this By-Law will result in a Club fine.**

18. BALLS

The home team shall provide balls of a brand approved by Tennis Victoria (refer Tennis Australia website) as follows:

- For all Senior matches – 4 new balls.
- For all Junior matches, 2 new and 2 good used balls.
- In final series the home team shall provide four new balls.
- Extra new or good used balls may be used at the commencement of any set providing they are supplied by the team requesting them and with the agreement of the opposing team captain.
- For all D Grade Junior matches, it is mandatory for all clubs to use low-compression “green” balls.

19. TENNIS ATTIRE

Regulation tennis attire shall be worn in all competition matches and shall comply with the ruling TENNIS AUSTRALIA DRESS AND EQUIPMENT REGULATIONS. (Refer to pages 66 & 67 of online handbook, or the Dress and Equipment Regulations page on the website).

However, for local Waverley Tennis matchplay, the following local modifications shall apply:

- Shirts without collars may be worn providing they are neat and constitute tennis sportswear.
- Tracksuits may be worn during the warm-up period and only during match play in inclement weather.
- No ripple soled shoes and no black or coloured marking soled shoes (on acrylic courts) shall be worn at any time. Home clubs shall have the right to refuse the wearing of footwear that they consider could cause damage to their court surfaces.

Clubs shall monitor compliance to these Correct Tennis Attire Dress Regulations and shall report any flagrant breaches in respect to incorrect clothing or footwear to the Waverley Tennis Match Committee Convenor.

20. POINT SCORE

Points will be awarded to each team as follows:

- 2 points for a winning match

or, 1 point for a draw or wash-out or where result has not been reached, or, 2 points for a forfeit (to non-defaulting team only)

plus

- 1 point for each winning set (no points allocated for winning rubbers),
- half a point for each uncompleted set (rubber to be taken to 2 sets unless it is the third set that is uncompleted).

If a set or rubber is forfeited during the match, the non-offending team shall receive one point for each forfeited set. (rubber to be taken as 2 sets). Where the complete team is not in attendance and this is deemed a forfeit as per By-Law 12 the non-offending team shall receive one point per set (each rubber to be taken as 2 sets).
